Secretary Report (Stacia)

Kyle and Kim have provided information for possible grants from their places of employment. Our old EIN number no longer is valid and it appears a new EIN must be obtained. Tom provided the current Pack EIN number. Stacia will proceed to complete these in the next couple of months.

Succession planning in the process. Thank you to those parents that have volunteered! Still looking for additional parent volunteers for a few positions. Please contact Stacia or Shane to discuss further.

Pack Scholarship: We received an impressive application from Matthew Schorer and the committee unanimously voted for him to receive the \$500 scholarship. Scholarship night is May 22nd at 7pm and Adam will be presenting. Stacia will contact Dale Nennig at the HS to inform him of the decision.

Camp

Camp: All health forms have been received! This is a record...thank you for getting them turned in! Camp has been paid for and adventures have been selected and Scouts registered for them. Tom has collected nearly everyone's balance...yippee!
